Event Details

Business Angel Investment – Developing Private Investment in the North West

Are you an angel investor or thinking of becoming one? Beer & Partners, in partnership with Gateley, has organised a meeting for both novice and experienced investors. Based on the successes of previous meetings like this one, this event will offer the ideal opportunity to receive updates on current market information, meet other investors and to review presentations for businesses seeking investment. There is no obligation to invest; neither Gateley nor Beer & Partners is advising investment in any particular company.

The format of the day is simple; after arrival, Beer & Partners will introduce the meeting and Gateley will follow with a short presentation. Three different presentations from fund-seeking companies will then take place, after which there will time for discussion, refreshments and networking.

This meeting is taking place Thursday 8th December from 5pm to 7.15pm, at the Manchester offices of Gateley. If you are unable to attend on this occasion, further angel investor meetings are scheduled to take place on a regular basis throughout 2012 across the UK – please keep an eye on the website for further details: www.investmentforgrowth.co.uk.

Numbers are limited, so if you would like to attend please make sure you book your place as soon as possible.
